Office hours are 3:15-5 pm Tuesdays and Thursdays in 303 Silver or by appointment.
The email is mosette.broderick@nyu.edu. You may leave a message for us with the
secretary in the Fine Arts Office at 212 998 8180. Ms. Sweet may be reached through
e-mail at lgs214@nyu.edu and Ms. Jacobi at laurenjacobi@hotmail.com.

REQUIREMENTS:

Attendance is required at all classes. Students missing more than one class risk a
lowering of their grade. Only a note from a medical doctor certifying illness will be
considered appropriate as an excuse for missing class. An attendance sheet will be
passed out at each class. Be certain to sign the sheet. A student is required to take and
pass the midterm and final exam and complete a term paper.

GRADES:

Grades will be determined on the basis of a mid-term, a final, and paper. The reserve is in
Bobst Library. We will discuss the format of the exams and give you suggestions as to
how to study for them at length in lecture and on the field study. We will not accept
papers on disk or via email. Papers turned in late will be marked down, unless
accompanied by a medical excuse signed by a doctor.
We will rigorously adhere to a strict examination policy. If a student is found cheating
on an examination, the student will be given the grade of F for the course. No make-up
examinations will be given except under the Fine Arts Department policy. A copy of this
policy is included in the papers given to you today and is posted on the door of the Fine
Arts Department. No incompletes will be given.

EXPLANATION OF GRADES:

A    indicates superior work
B    indicates above average, very good work. A grade of B does not mean that you
     have done anything wrong, it is above average, but not a superior grade.
C    indicates average work
D    indicates poor work
F    well, why bother.
WEB SITE:
This class also has a web site, which you may find helpful when studying. The address is www.nyu.edu/classes/finearts/nyc.

TRANSPORTATION:
Please bring a metrocard with you to class. This will save time and allow us to arrive at our destination quickly.

SUBWAY MAP:
It is a good idea to get a map and keep it with you to get home. John Taurnac’s NY MAP book also contains terrific bus and subway maps for Manhattan and the boroughs.

WORDS OF WARNING ABOUT THE WEATHER:
Listen to weather reports carefully before you come to class each week and wear appropriate clothing. I have bad luck with weather, so be prepared for anything! Also, forget fashion and wear comfortable shoes. The last classes may have cold and wet conditions, so be warned.
