The College of Arts and Science has an International Team composed of experienced academic advisors who work on issues related to international students in the College.

Advisors help students adjust to the College, work with issues related to international academic credentials and English writing courses, and help students by coordinating with other relevant offices such as the Office of Global Services (OGS), the Wasserman Center for Career Development, and the University Learning Center (ULC).

Advisors on the International Team host daily walk-in hours for international students and send out a weekly newsletter, the International Edition.

EWP Writing Survey

Students who submitted English language testing scores as part of their applications to NYU, are required by NYU Undergraduate Academic Affairs to complete an online writing assessment survey conducted by the Expository Writing Program (EWP), in order to participate in registration for fall classes (which begins in June). This survey is mandatory for any students required to take it and must be completed prior to registration. The suggested writing-course placement received after taking the assessment should be honored by students in consultation with their advisor.

Writing Proficiency Exam

Transfer students are required to take and satisfy the Writing Proficiency Exam graduation requirement during transfer orientation. The results of this exam may determine if students are required to take additional Expository Writing (EXPOS-UA) courses. These courses are focused on developing students’ writing ability and comprehension.

The only transfer students who would not need to take the Writing Proficiency Exam during transfer orientation would be any student who has already enrolled in one of the following Expository Writing courses: EXPOS-UA 1, Writing the Essay or EXPOS-UA 4, International Writing Workshop I, or EXPOS-UA 3: International Writing Workshop: Introduction. Completing EXPOS-UA 1 or EXPOS-UA 4 with a letter grade of C or better would fulfill the Writing Proficiency Exam graduation requirement. Students enrolled in EXPOS-UA 3, after completion, would then satisfy the requirement by taking a course or the exam detailed above.
The NYU Office of Global Services (OGS) provides immigration advising and guidance, specialized programs and events, cultural adjustment resources, and more to our academic community worldwide.
