Committee Letter Process
Matriculation Year 2020
Checklist and Important Dates

Use this guide to review and complete all of the steps needed in order to submit your PreHealth Committee Application.

1. Complete your Intent to Apply for Matriculation Year 2020 and update your AdviseStream profile.

3. Part II of the PreHealth Committee Application will open on December 1, 2018. Complete Part II by February 1, 2019.

4. If you are granted a Committee Interview, schedule your interview in AdviseStream between February 6 and February 15, 2019. Interviews will take place between February 19 and May 31, 2019.

Please note that if you miss the November 15 deadline for Part I, you will not be given access to Parts I and II until January 1, 2019. Both parts will be due on February 1, 2019.
Log into AdviseStream

Log into AdviseStream with your NetID. If you have trouble logging in, please click Support on the bottom right of your browser to contact AdviseStream Support.

Complete Intent to Apply

This is the main dashboard where you can access all features in AdviseStream. Click Complete Intent to Apply under the “prehealth” widget.
Complete Intent to Apply
In the pop-up window, select the degrees you intend to apply for and click **Next**.
Complete Intent to Apply

Select your planned matriculation year (2020) from the drop-down menu and click **Save**. If you’ve added more than one degree, drag and drop to rank them in order of preference.
Update your AdviseStream Profile

After completing your Intent to Apply for Matriculation Year 2020, navigate to your profile (under your name > profile).
Update your AdviseStream Profile

In order for your profile to be considered “up to date,” complete the following sections:

1. Timeframes & Degrees
2. Background > Family
3. Background > Citizenship and Heritage
4. Special Circumstances > Legal Actions
5. Special Circumstances > Institutional Actions
Update your AdviseStream Profile

In the special circumstances sections (institutional actions and legal actions), you must select “no” or “yes,” to the questions and click the lock button to share this information with the Preprofessional Advising Center.

In order to submit Part I of the NYU PreHealth Committee Application, you must supply the information below and click the lock button to share this information with the Preprofessional Advising Center.

Were you ever the recipient of any institutional action by any college for unacceptable academic performance or conduct violation, even though such action may not have interrupted your enrollment or required you to withdraw?

- [ ] NO
- [X] YES
Begin the PreHealth Committee Application

Navigate to the Committee Letter Planner (under prehealth > Committee Letter).

Download and review the Committee Instructions. Check off each statement and sign your name at the bottom of the page.

As a user of the NYU Committee process:

- I understand that some schools may require additional courses beyond the basic [prehealth curriculum] and recognize that it is my responsibility to research and review entrance requirements and application deadlines of the schools to which I will apply.
- I am aware of the admission standards for my chosen health professional program and wish to proceed with the NYU Committee process. I understand that I will be evaluated in relation to these standards.
- I have reviewed the application procedures for the programs I seek to enter and certify that submission of a Committee Letter of Evaluation is required.
- I understand that all information I provide in my Prehealth Committee Application, Committee Interview, and in the documentation related to the transmission of my Committee Letter may be shared with admissions officers.
- I understand that NYU’s Committee Letter of Evaluation will evaluate and characterize my candidacy as reflected in my Prehealth Committee Application, Committee Interview, and feedback from Committee members. The evaluation will be relative to the larger NYU applicant pool and the entrance standards of the programs to which I plan to apply.
- I have disclosed to the Committee if I was ever the recipient of any institutional action resulting from unacceptable academic performance or a conduct violation, even if such action did not interrupt my enrollment, required me to withdraw, or does not appear on my official transcripts due to institutional policy or personal petition.
- I understand that the Committee will review conduct records supplied by university officials to confirm any possible institutional action and will report findings in my Committee Letter.
- I have reviewed and will adhere to all of the deadlines noted here and those noted on the [prehealth website].
- I will email postbacc@nyu.edu if my application plans change after I submit my Prehealth Committee Application.
- I have reviewed the preceding instructions in full and understand the Committee’s expectations of me as a prospective recipient of a Committee Letter of Evaluation.

Indicate your applicant status. Once you click **Save**, you will gain access to the rest of Part I.

Applicant Status

You will be best served by participating in the Prehealth Committee Process during the academic year immediately proceeding your intended summer application to health professional schools. For example, students who intend to apply to schools of the health professions during the summer of 2017 must complete the Committee Application in the fall of 2016 and interview with the Committee during the spring of 2017. It is in your best interest to align these processes to prevent the need for future Committee updates. More importantly, however, you want to present the most refined version of your preprofessional portfolio (e.g. academic performance, entrance exam scores, co-curricular activities, and personal strengths). Committee members will be evaluating you on all of these dimensions; we urge you to thoughtfully consider the impressions the Committee will formulate based on your present portfolio.

Applicants are authorized to utilize the full services of the Committee -- Prehealth Committee Application and Committee Interview -- only once. Please acknowledge your applicant status so that you may be directed appropriately:

- I am a first-time applicant who has never completed the Committee Application or had a Committee Interview.
- I completed a Committee Application in the past but did not have a Committee Interview.
- I completed a Committee Application AND Committee Interview in the past, but did not apply to professional programs.
- I have completed a Committee Application and Committee Interview in the past and have previously applied to professional programs.

Complete Part I (continued)

The rest of Part I will now open. You must complete the remaining sections before submitting Part I. Click on Academic History.
Complete Part I (continued)

In the “Academic History” section, answer the questions regarding your courses and grades, and calculate your cumulative GPAs. If you are a post-bacc student or have completed any graduate-level coursework, enter the conversion rate for those institutions and click **Calculate** to calculate your combined GPAs.

Upload transcripts from every institution where you took college courses in the “transcripts” section.
Complete Part I (continued)

Fill out the self-assessment and click **Save**.

### Self-Assessment

It is important that you take the time to evaluate your portfolio as an applicant to schools of the health professions, and understand how NYU's Committee will be evaluating you. Please take a moment to reflect on your level of readiness.

I have met with an NYU Preprofessional Advisor to discuss my prehealth plans:

- Within the last 3 months
- Within the last 6 months
- Within the last year
- Over a year ago
- Never

The Preprofessional Advising Center offers programs and webinars designed to assist and support candidates during their application year. I would consider attending the following programs:

- MD Admissions Dean’s Panel
- DO Admissions event
- Application Year Overviews
- Personal Statement workshops
- Interviewing workshops
- Peer Mentorship Program
- “Choosing the Schools that are Right for You” workshops
- Financial Aid workshops
- MD-PhD information sessions
- None of these
- Suggest a workshop

If you added experiences to your Academics and Engagements Planner, you can import and select them for the “Professional Preparation” section.

Professional Preparation

The Professional Preparation section is designed to give you the opportunity to include in your application any work or extracurricular activities that you would like to bring to the attention of the Committee. Documenting this information for the Committee should be viewed as preparation for the Work/Activities section of the centralized application(s) you’ll be completing in the summer. Please know, you will NOT be permitted to upload a resume to centralized application services; instead you will be expected to report your activities directly in the application. Use this Committee Application exercise to craft robust and accurate entries in preparation for your summer application to professional schools.

- A maximum of 15 experiences may be entered.
- Enter only significant experiences, knowing that schools of the health professions are more interested in quality rather than quantity.
- In the description field, please fully detail your role and responsibilities.
- Refrain from including activities or honors from high school.

*Application Integrity Certification*

I request that the Prehealth Committee on Evaluations provide an evaluation of my academic performance and personal qualifications for my application to health professional schools. This evaluation is referred to as a Committee Letter of Evaluation.

I understand that the content of the Committee Letter of Evaluation is derived from a Prehealth Committee Application, Committee Interview, letters of evaluation, and a holistic behavioral assessment by members of the Prehealth Committee on Evaluations.

**FERPA Waiver**

I understand the Committee Letter of Evaluation that is prepared by the University may be transmitted verbatim to one or more schools of the health professions by the Preprofessional Advising Center.

In compliance with University policy and the Family Educational Rights and Privacy Act (FERPA; Buckley Amendment):

I may inspect this Committee Letter unless I waive my right of access to the Committee Letter. I understand this right. I understand that professional schools prefer that I make my file confidential.

- ○ I waive my right to inspect this Committee Letter of Evaluation at any time **(Confidential)**
- ○ I do not waive my right to inspect this Committee Letter of Evaluation at any time **(Non-confidential)**
