- [1] Students must also have one year of residency at CAS prior to declaring the major; incoming freshmen and transfers are not eligible for immediate declaration upon entrance to the University.
- [2] Students must complete CSCI-UA 101, Introduction to Computer Science (or higher) with a grade of C or better before they may declare a major in this department.
- [3] Students must complete CSCI-UA 101, Introduction to Computer Science (or higher) with a grade of C or better before they may declare a major in this department.
- [4] Students must complete one DS-UA course with a recorded grade of C or better before they can declare.
- [5] Students must complete CSCI-UA 101, Introduction to Computer Science (or higher) with a grade of C or better before they may declare a major in this department.
- [6] Students must complete one DS-UA course with a recorded grade of C or better before they can declare.
- [7] Students must complete CSCI-UA 101, Introduction to Computer Science (or higher) with a grade of C or better before they may declare a major in this department.
- [8] Students must take EG-UY 1003 prior to declaring
- [9] ENGL- UA 101
- [10] Completion of German language training through the intermediate level (GERM-UA 4 or GERM-UA 20)
- [11] Completion of German language training through the intermediate level (GERM-UA 4 or GERM-UA 20)
- [12] To be eligible to declare the major, students must first complete International Politics (POL-UA 700). They must also first complete either Introduction to Macroeconomics (ECON-UA 1) or Introduction to Microeconomics (ECON-UA 2), or present equivalent Advanced Placement or other advanced standing credit in economics.
- [13] Before beginning courses toward the major in Italian Studies, students must gain satisfactory knowledge of Italian by:
Completing the introductory language sequence up to Intermediate Italian II (ITAL-UA 12) or Intensive Intermediate Italian (ITAL-UA 20); or
Obtaining a score of 59 or above on the NYU placement test
- [14] Before beginning courses toward the major in Italian Studies, students must gain satisfactory knowledge of Italian by:
Completing the introductory language sequence up to Intermediate Italian II (ITAL-UA 12) or Intensive Intermediate Italian (ITAL-UA 20); or
Obtaining a score of 59 or above on the NYU placement test
- [15] To declare the journalism major, students need to complete Investigating Journalism JOUR-UA 50 or Journalistic Inquiry: The Written Word

JOUR-UA 101 and earn a grade of C or better.

[16] Students may only declare a major in Neural Science AFTER the successful completion of Intro to Neural Science (NEURL-UA 100) with grades of B- or better.

Students must have a grade of no lower than a C for any class counting towards the major.

[17] Students are encouraged to have taken at least 1-2 Politics classes in advance of declaration

[18] To declare a major in Psychology, students must earn a grade of C or better in both Introduction to Psychology (PSYCH-UA 1) and Statistics for the Behavioral Sciences (PSYCH-UA 10).

[19] Before declaring, students must complete one prerequisite that provide the strong analytic framework necessary to begin studies in the major:

Economics Prerequisite:

ECON-UA 2, Introduction to Microeconomics [Advanced standing credit (AP, IB, etc.) in microeconomics is accepted.]

Students are recommended to complete the prerequisites in their first year. If you have not completed the prerequisites and have not started the core by the end of your second year, you should request an advising appointment before registration begins by emailing wagner.undergraduate@nyu.edu.

[20] The prerequisite for declaring the major is proficiency in Russian or Czech at or above the Intermediate II level. Students with proficiency in Czech at or above the Intermediate II level must also have proficiency in Russian at or above the Elementary II level. Students who are not Russian heritage speakers and have proficiency above Intermediate II must take at least one Advanced Russian or Advanced Czech course. Heritage speakers with proficiency above Intermediate II must consult with the director of undergraduate studies when declaring the major.
