TRANSCRIPT REQUEST

Does AMCAS require an official transcript from NYU in Berlin?

Note: One official transcript is required from each U.S., U.S. Territorial, or Canadian post-secondary institution at which you have attempted course work, regardless of whether credit was earned.

If you click Yes, you must have an official transcript sent to AMCAS by the Registrar's Office of the institution.

If you click No, you must select an Exception Reason on the following screen. These reasons include Canadian CEGEP/Grade 13, current or upcoming course work only, Study Abroad program (credits transferred to domestic institution), and independent foreign course work (completed outside of a Study Abroad program).

Selecting No means that you are submitting a Transcript Exception Request and does not preclude you from transcript requirements. AMCAS will review your request and notify you if your Transcript Exception is **not** granted. This may result in delays for processing your application.

Generally, a transcript is required. Click Help if you need assistance in determining if a transcript is required.
